To: publishing houses, publishers, authors, self-publishers, groups, organizations, associations and/or single individuals.

The "Ateneo Libertario" of Florence is preparing the
8th edition of the "*ANARCHIST AND LIBERTARIAN BOOKFAIR*" in Florence (Italy)

On 22nd-23rd-24th September 2017,

at Obihall Theatre (Teatro Obihall)

address: via Fabrizio De André (corner with Lungarno Aldo Moro), Florence, Italy.

This international book fair is a three-day showcase for anarchists and libertarian publications where the authors are invited to promote their work through book presentations and debates but it is also open to any type of magazines, journals, printed work in general, A/V, graphic arts, theatrical and musical performances that are pertinent to anarchism or libertarian culture.

You are therefore invited to propose to us any relevant work that you would like to see featured at the event; in order to participate please fill in the attached application form. For those who cannot personally attend but still want to sell or exhibit their work at the venue, the organizers can do it for them. Any leftover material at the end of the event will be shipped back to the sender.

As always, any initiative to promote the event is most welcome; the success of this latest edition of the *anarchist and libertarian book fair* depends on your enthusiasm and interest above all.

Please be precise when filling in the application form, the sooner we receive them the better we can organize the event.

Best libertarian wishes,

Ateneo Libertario of Florence
